Joint Provider Surveyor Training
Tuesday, April 10, 2018
Lansing Center, Lansing, MI**

Continuing Education (CE): Three types of CE credits have been approved:

- **Nursing Home Administrator:** 5.5 hours
- **Social Work:** 5.5 hours
- **Nursing:** 5.5 contact hours

CE Sign-In and Eligibility for NHAs and Social Workers:

- Sign-in can be completed at registration.
- Please be sure to sign in before the event begins in order to be eligible to receive NHA or Social Work credits. **Please have your license number ready.**
- Nurses are not required to sign in for CE credits.

Attendees will not be permitted to sign in after 9:15 a.m.

- Successful completion requirements: Participants must attend 80 percent of the training/learning sessions and complete the online evaluation in order to obtain CE credits. Partial credits will not be awarded.
- The online evaluation form must be completed in the designated timeframe.
- Please note the email address used for communication purposes is the responsibility of the participant. Please provide contact email again at sign in and make any corrections online or with the Solutions Table.

CE Evaluation:

An email will be sent to all participants within three to five business days of the conference with guidance for completing the CE evaluation. Please follow the directions and use the link in the email.

- If you would like multiple types of credits, you only have to complete one evaluation and put a check mark by each individual discipline you would like a certificate for.
- Once the online evaluation time frame has ended, an email will be sent to each participant who completed the survey, with their certificate (s) within 4-6 weeks. This process will also apply to those seeking a "General Participant" certificate.
- Evaluations must be submitted no later than May 11, 2018.
- If you have any questions during this process, please send an email to continuing-ed@metastar.com.
- Please be sure use only the above email to request assistance as other addresses (such as responding to webmaster or administrator) are not monitored and thus we will not be able to respond.

Additional Continuing Education Information

Who Should Attend

Michigan long term care providers and surveyor staff

Desired Outcome

For participants to implement strategies to provide person centered care, improving the quality of care and quality of life for long term care residents. This outcome will be assessed by a feedback survey question.

Objectives

At the end of the educational session, participants should be able to:

1. Identify substance abuse disorders in long term care and describe how to provide appropriate pain management for all long term care residents.
2. Describe how to use a sepsis tool kit for early recognition and management of sepsis, and reflect on the “real life” story from a sepsis patient.
3. Discuss considerations for the elderly related to appropriate oral and dental care.
4. Describe various types of Advance Directives and how to talk with families about Advance Directives.
5. Identify essential components of emergency preparedness and how to prepare for the new survey process effective November, 2017.
